**SPECIAL GUEST SPEAKER**

**CAPT (RET.) JOHN ARROYO**  
SURVIVOR OF FT. HOOD MASS SHOOTING

John Arroyo was born and raised in Whittier, CA. He is married to the beautiful Angel Arroyo, and they have three children. He enlisted into the U.S. Army in 1998, much to the inspiration of his family, and was assigned to Fort Bragg, North Carolina, where he was stationed for fifteen years. He spent the majority of his enlisted service as a Green Beret, assigned to 3rd Special Forces Group, Fort Bragg, NC. In 2013, John was commissioned as an officer in the U.S. Army Medical Service Corps. His previous deployments include two Afghanistan deployments and one Iraq deployment. John Arroyo is a survivor of the April 2, 2014 mass shooting on Fort Hood, Texas. He was treated for a gunshot wound to the neck and paralysis of the right arm at San Antonio Medical Military Center. Doctors told John's family that they did not have a medical explanation on how he lived through his injuries -- it was simply a miracle! Knowing he had been given a second chance, John wasted no time sharing his gift and miraculous story with anyone willing to listen. Today, with his spirited style, John Arroyo is enthusiastically received as a speaker. He is a remarkable communicator, speaking in an assortment of settings including churches, schools, military installations, businesses, non-profit venues, etc. John's message is one of Second Chances. Using his life as an example, he speaks to issues applicable to his audience and presents tangible solutions to real life struggles. John loves to share the Word of God! Pulling from his experiences of influences, addictions, failure, and disappointment, John's message of faith, hope, resiliency, courage, and survival touches and transforms those who hear it. The foundation of his hope is his faith, supported by the relationships with his wife, children, and extended family.
